## Group Accident Insurance

### How does it work?

Accident Insurance provides a set benefit amount based on the type of injury you have and the type of treatment you need. It covers accidents that occur on and off the job. And it includes a range of incidents, from common injuries to more serious events.

### Why is this coverage so valuable?

It can help you with out-of-pocket costs that your medical plan doesn't cover, like co-pays and deductibles. You'll have base coverage without medical underwriting. The cost is conveniently deducted from your paycheck.

### Who can get coverage?

You	If you're actively at work*
Your spouse	Can get coverage as long as you have purchased coverage for yourself.
Your children	Dependent children from birth until their 26th birthday, regardless of marital or student status.

\*Employees must be legally authorized to work in the United States and actively working at a U.S. location to receive coverage. See Schedule of benefits for a complete listing of what is covered.

### How much does it cost?

Your semi-monthly premium	
You	\$4.96
You and your spouse	\$8.96
You and your children	\$12.11
Family	\$16.11

### What's included?

#### Health Screening benefit

Every year, each family member who has Accident coverage can also receive \$50 for getting a covered Health Screening screening test, such as:

- Annual exams by a physician include sports physicals, well-child visits, dental and vision exams
- Screenings for cancer, including pap smear, colonoscopy
- Cardiovascular function screenings
- Screenings for cholesterol and diabetes
- Imaging studies, including chest X-ray, mammography
- Immunizations including HPV, MMR, tetanus, influenza

#### Organized Sports Benefit

Each family member that has Accident coverage is eligible for a 10% increase in payable benefits within the Injury and Treatment schedule of benefit categories. See disclosures and schedule of benefits for more information.

**IMPORTANT INFORMATION ABOUT THE COVERAGE YOU ARE BEING OFFERED**

Save this statement! It may be important to you in the future. The Washington State Insurance Commissioner requires that we give you the following information about fixed payment benefits.

**This coverage is not comprehensive health care insurance and will not cover the cost of most hospital and other medical services.**

This disclosure provides a very brief description of the important features of the coverage being considered. It is not an insurance contract and only the actual policy provisions will control. The policy itself will include in detail the rights and obligations of both the master policyholder and Unum.

This coverage is designed to pay you a fixed dollar amount regardless of the amount that the provider charges. Payments are not based on a percentage of the provider's charges and are paid in addition to any other health plan coverage you may have.

**CAUTION: If you are also covered under a High Deductible Health Plan (HDHP) and are contributing to a Health Savings Account (HSA), you should check with your tax advisor or benefit advisor prior to purchasing this coverage to be sure that you will continue to be eligible to contribute to the HSA if this coverage is purchased.**

**Notice to Buyer: This policy does not constitute comprehensive health insurance coverage. It does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.**

**Accident Only Coverage** is designed to provide, to persons insured, coverage for certain losses resulting from a covered accident ONLY, subject to any limitations contained in the policy. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.

The benefits an Insured may receive for a Payable Claim are listed in the Schedule of Benefits, subject to all other terms and provisions of this certificate. Amounts are the same for all Insureds, unless noted otherwise. Multiple benefits may be payable for a single Covered Accident.

**Coverage Type** This certificate provides coverage for accidents that happen [at any time, including while an Insured is working][only when an Insured is not working].

If an accident was caused by or aggravated by any employment for pay or profit, it is considered to have happened while working.

In addition to the benefits disclosed above, the following may also apply and are summarized below.

A benefit trigger may be a waiting period described as the continuous period of time you must be in Active Employment in an Eligible Group before you are eligible for coverage. Duration of coverage will be for as long as you are eligible for coverage and you are insured. With regard to renewability of coverage, your policy can be cancelled by us or the Policyholder. We will not pay benefits for a claim that is caused by, contributed to by, or resulting from any Limitations and Exclusions, which vary by the type of coverage selected.

New employees may have a waiting period to be eligible for coverage. Please contact your plan administrator to confirm your eligibility date.

If enrolling, and eligible for Medicare (age 65+; or disabled) the Guide to Health Insurance for People with Medicare is available at <https://www.medicare.gov/publications/02110-choosing-a-medigap-policy-a-guide-to-health-insurance-for-people-with-medicare.pdf>.
